## A Heads Up!

**NBBS Representatives are ready to visit your church!** Consider having Dr. Barber, Dr. Riggsby, Bro. Stewart, or any faculty member present NBBS to your people. We are always ready to share what makes the NBBS uniquely effective in the training of preachers, and their wives, as well as a wise missions investment.

## Alumni News!

Breze Serugamba, a 2019 NBBS graduate, is  
"Seizing the Opportunity!" He recently re-  
turned from an exciting survey trip to Africa  
(Malawi), accompanied by church staff from

Cornerstone Baptist  
Temple, Dayton,  
OH, where Bro.  
Jerry Siler is pastor.  
Several meetings

were held, and  
many conversions took place. **Bro. Serugamba,**  
**was born and raised in Africa** (The Congo and  
Rwanda), **but also a British citizen**, is taking  
the steps with the assistance of his sending  
church, to fully begin his deputation with his  
family accompanying him. When ready, he will  
initially visit churches in Texas. and the nearby  
area, while taking a few more courses at NBBS,  
so his wife can also further ready herself for  
their work on the mission field. Their ministry is  
of much interest to  
the student body  
of NBBS after get-  
ting to know him,  
and praying for  
him and his family.

## 72nd Semester Underway!

We started the new semester with another full  
house at the Opening Day Rally which was again  
combined with the January IBF Metro-Area Fel-  
lowship. The fellowship took up a love offering of  
nearly \$400 for NBBS and gave \$1,000 toward the  
cost of the lunch (which covered the cost of it).

Thank you IBF Metro and others who gave!

We started the semester with 55 students.

A few others who didn't quite come through  
because of job situations which interfered just  
after they got started, or before, so they could not  
follow through with enrollment. It briefly looked  
like we might surpass 60 again, as we did a year  
ago. Maybe we will surpass our record of 61 in the  
fall. Even so, the quality of students who continue  
to come our way is always uplifting. By quality,  
I mean, students whose hearts above all are  
greatly desirous of learning of God, and of serv-  
ing Him. We have four new students this semes-  
ter, and four returning students from the past,  
two of whom are from a few years ago.

Please pray for the students as it relates to job  
situations. This year there have been more instan-  
ces of challenges along this line than in the recent  
past. Your prayers will make a difference!
